Slend, con sus formas esbeltas y contorneadas admite muchas combinaciones.

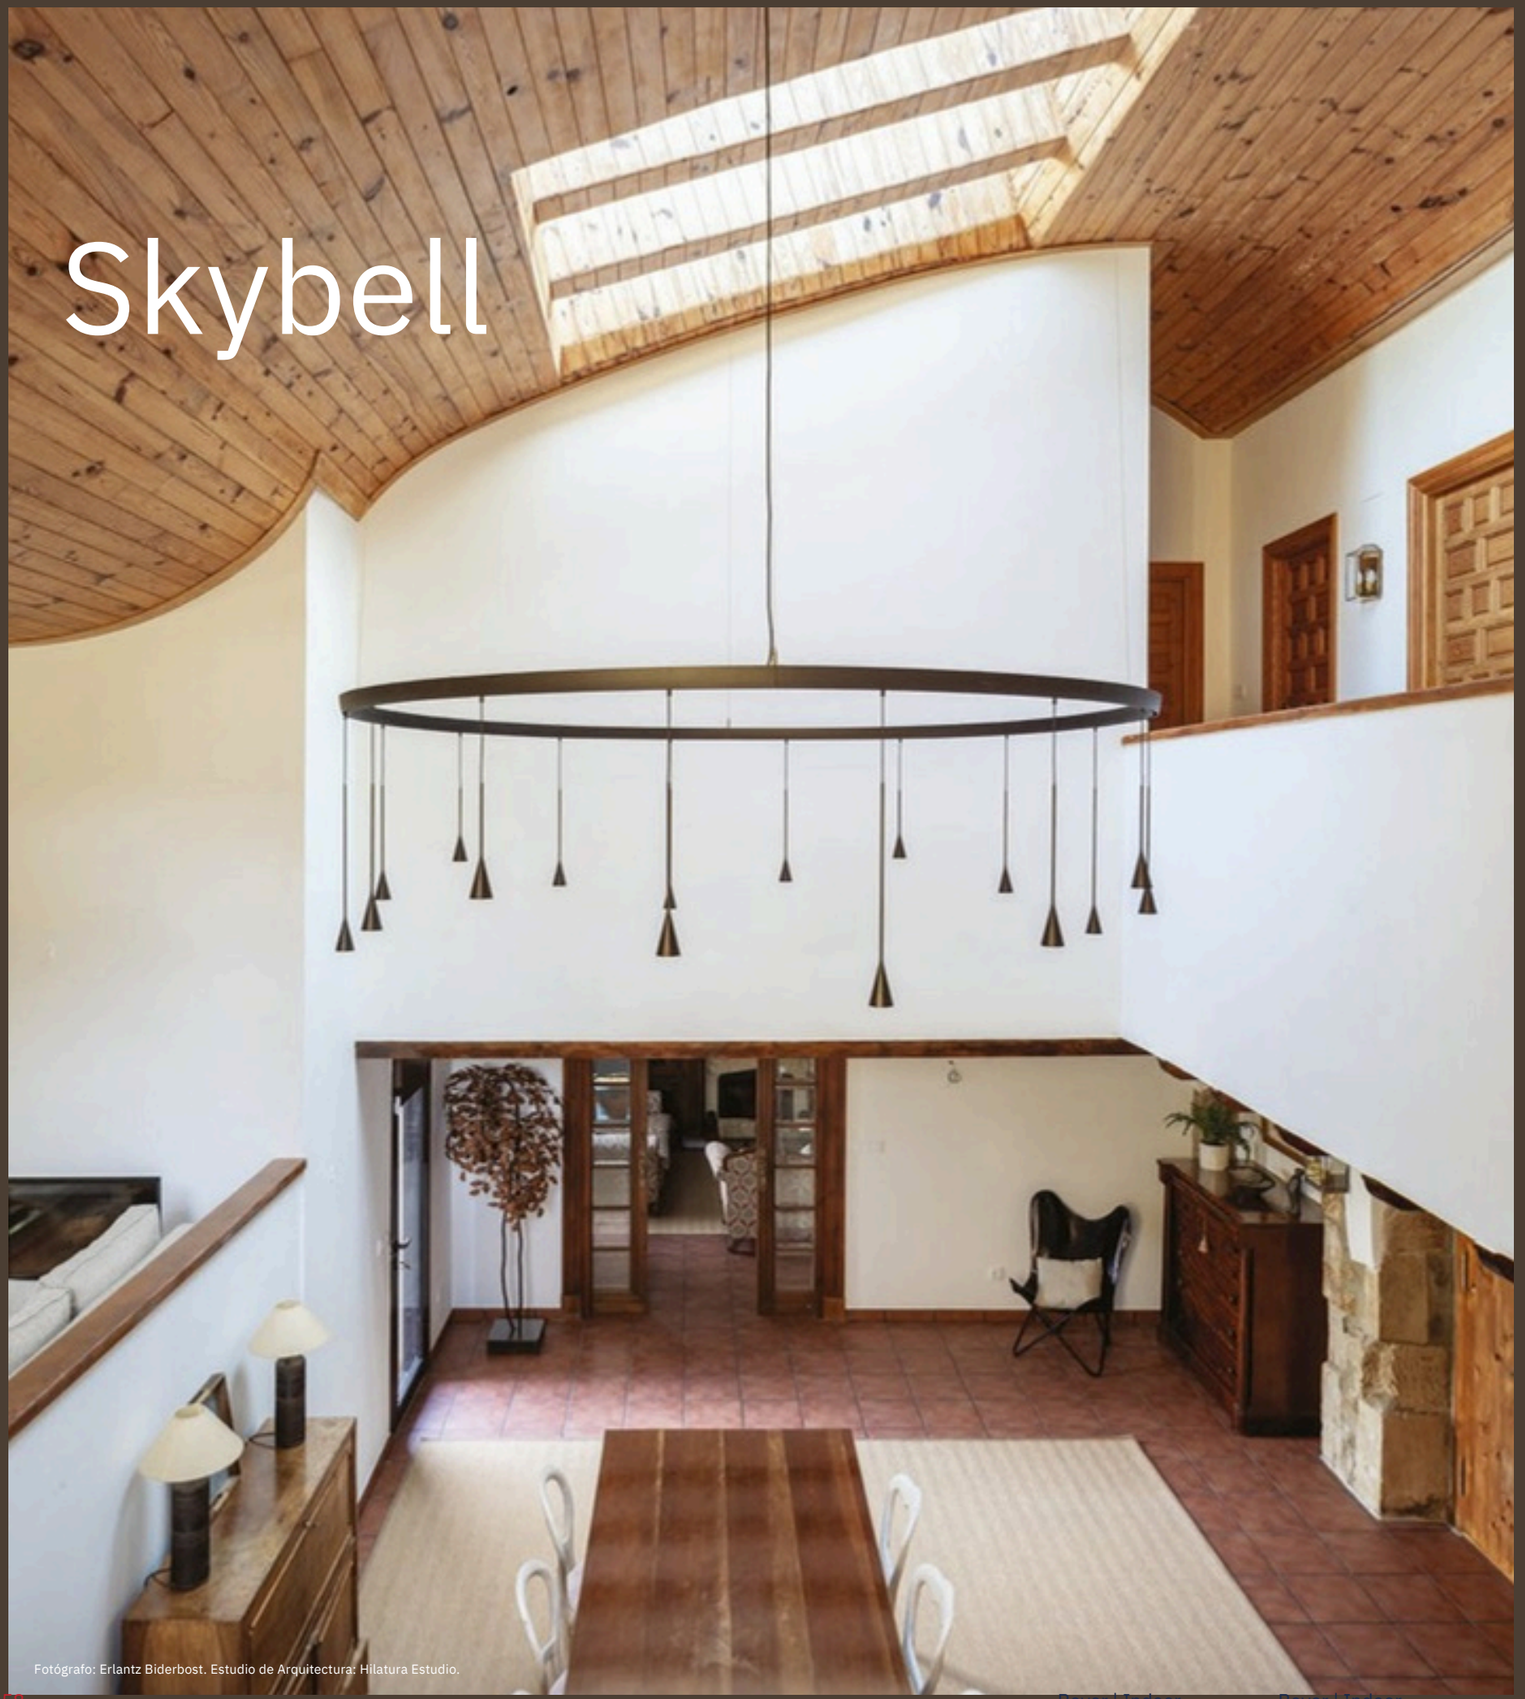

Somni Restaurant. Project: Capella Garcia Arquitectura. Photographer:JillPaider

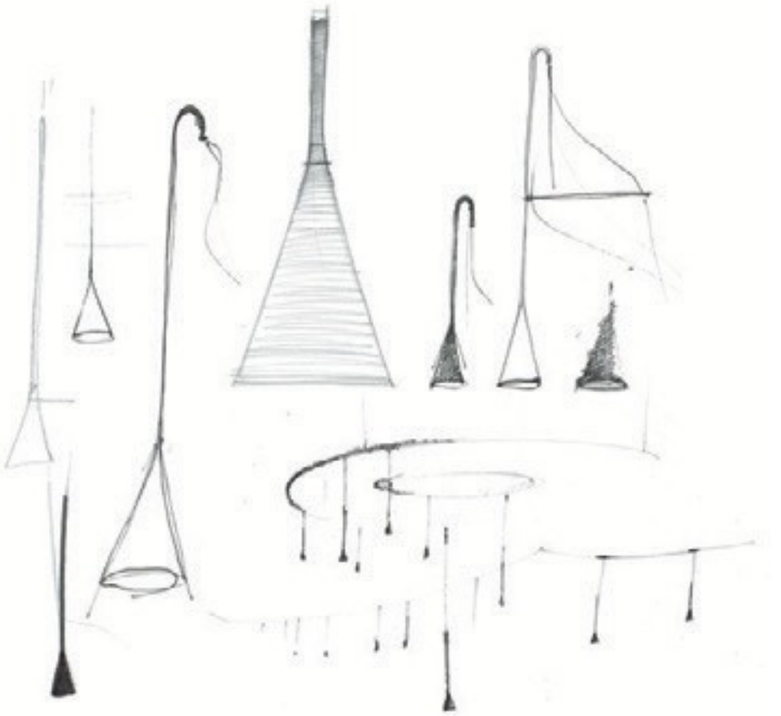

Skybell

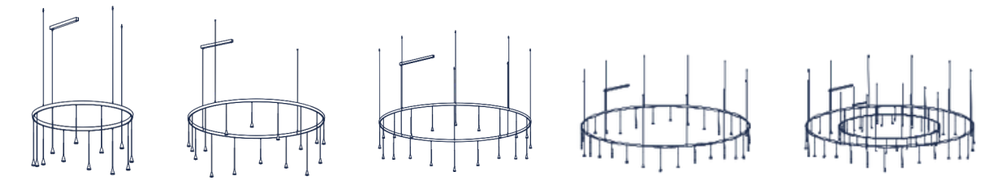

Fotógrafo: Erlantz Biderbost. Estudio de Arquitectura: Hilatura Estudio.

Las Skybell son pequeñas campanas que nos iluminan con su alegre personalidad.

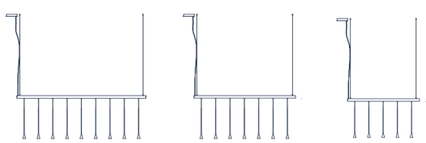

The Skybell are small bells that light us up with their charming personality.

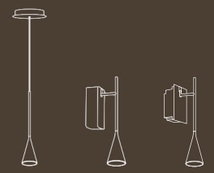

Este amplio sistema de luminarias puede combinarse libremente, ya sea de forma lineal o circular.

This broad range of lamps can be easily combined in a linear or circular fashion.

Project: Paulo Martins Arquitectura . Photographer: Ivo Tavares.

Skybell Plus by Estudi Manel Molina | 2019

The charming and subtle essence of the Skybell is condensed to its simplest form.
An exercise in synthetic design that is translated into vibrant light emissions.

La esencia sutil y alegre de las Skybell se condensa aquí hasta la máxima sencillez.
Un ejercicio de diseño sintético que se traduce en vibrantes puntos de luz.
